

*2012 Lazy Loper Color Addendum*

1. The Color Guarantee will apply to APHA registered mares only. Double Registered mares do not receive a Color Guarantee, only the live foal guarantee provided for in the standard Breeding Contract.
2. If a registered APHA mare fails to produce a foal that is full registry eligible with APHA the mare owner may breed back the following season at one half price of the fee that was paid on the original Breeding Contract. A re-breed fee will apply.
3. The Color Guarantee re-breed must be used on the original mare in the calendar year that the ineligible full registry foal was born. Any changes of mare must be authorized by Ohio Pine View Farm LLC in writing.
4. A Color Re-Breed is non-transferrable and may not be sold to a third party.
5. Standard Shipping Fees will apply to any Color Re-Breed.
6. This Color Re-Breed is offered for a one time Re-Breed and will not be extended any additional years if the mare fails to have a full registry foal as a result of the Color Re-Breed.
